### Over 400 Submissions Received for DC MLR's "Name the Team" Initiative

Thank you to everyone who has submitted an idea for our "Name the Team" initiative. We were overwhelmed with the response – as we received over 400 submissions so far from our supporters across the region. Some names were expected and some were truly unique, but co-owners Chris Dunlavey and Paul Sheehy enjoyed reviewing each and every one of them.

Whether submitted through our paper slips, on our website, or social media, we have heard your ideas DC! There are some categories of names that have begun to stand out to DC MLR. The top two trending categories are patriotic and powerful names, keeping with the significance of being in the nation's capital. The top trending name has been the DC Revolution. While this is both strong and patriotic, keeping with the DC spirit, we are not sure how Major League Soccer's New England Revolution would feel about us stealing it from them!

DC MLR has been overjoyed with the amount of engagement that the local rugby community has had with us, and we hope everyone is as excited as we are for our still yet-to-be-named team to be arriving in DC. While we have still not yet selected the team's name, we hope to do so soon, so please keep those suggestions coming! If you would like to submit a suggestion, you can visit [www.dcmlr.com](http://www.dcmlr.com), or comment on our latest social media posts.
