

VOLUME 13

First Sponsor Leidos Steps Up For DC MLR

Our momentum continues! This week DC MLR officially partnered with Leidos to be the team's Founding Sponsor.

You may know Leidos as the Reston, VA-based global science and technology solutions company that also is the jersey sponsor for DC United. Well, they'll be represented on our jerseys as well, and we couldn't be more excited.

In addition to their commitment to the DC region, Leidos also recently partnered with Pro 14 side Glasgow Warriors of the Scottish Rugby Union, so they are clearly committed to the growth of rugby around the globe. Be on the lookout for activation of our sponsorship with Leidos as we continue planning for our exhibition schedule in 2019, followed by full MLR competition in 2020.

For more information on Leidos, [click here](#). We thank them for their commitment to DC MLR, and for getting on board early to showcase the impact this team will have on our region in the years to come.

See you on the pitch!
Paul Sheehy & Chris Dunlavey
